

Message from the Manager

Manager
Abhay Raj Singh
Dinapur Public School

The core purpose of education is to provide children with a learning environment which brings out the best in them. My dream for all the Ivy League children is to have the opportunity to avail the most unique mode and means of education. Educational programs complemented by state-of-the-art facilities and resources, and our focus on sports and co-curricular opportunities facilitates children's holistic education.

We use technology in our classrooms with audio visual aid to make learning more interactive and interesting for the children. Apart from the prescribed syllabus we have or experts handpick curated content to be taught to the children. My mission is to give access to high quality education and holistic development avenues to all children in our community and beyond. I believe every young mind is a reservoir of unique set of attributes and abilities and with the right guidance and nurturing they can each become well rounded, productive global citizens. Therefore, every child deserves an education that fosters academic excellence and all-round development, and ensures their well-being. We are inspired by these tenets in everything that we do at Ivy League School.

At **Dinapur Public School**, we provide a learning environment that inspires and motivates children, and encourages them to explore limitless possibilities in their quest for knowledge. Since inception, our overarching goal has been to make Ivy League a happy school, where teaching is a pleasure and learning is a joy.

Our caring and committed teachers are our pillars of strength. They teach our children not just with their minds but with their hearts. They make learning enjoyable and rewarding, and imbibe in children the importance of sound values.

I warmly invite you to explore **DPS** as we re-dedicate ourselves every day, to impart the very best education to young minds.
